

FEB Aqar has successfully signed the Main Works Construction Contract for their proposed mixed use project at BFH with Kooheji Contractors

FEB Aqar wholly-owned Real Estate subsidiary of First Energy Bank B.S.C.(c), has successfully signed the Main Works Construction Contract for their proposed mixed use project at Bahrain Financial Harbour with Kooheji Contractors. The main works contractor was selected after a transparent tendering process, showing a strong competition between highly reputable contractors in Bahrain.

The signing was done by Mr. Mohamed Ghanem, FEB Aqar Chairman, and Mr. Fawaz Al Jowder, FEB Aqar MD and Mr. Abdul Raheem Al Kooheji CCO of Kooheji Contractors in the presence of Mr. Abdul Ghaffar Al Kooheji, the Managing Director and Chairman of Kooheji Contractors.

The ceremony was attended by Mr. Orabi Mohammed from FEB Aqar, Mr. Nasser Kanaan, Mr. Khalid Kanaan from Projacs International, Mr. Thamer Salahuddin and Mr. Sushil Keir from Mohammed Salahuddin Consultant, Mr. Christian Bojaoude from DG Jones.

The proposed project is located in the best prime location of Bahrain and offers 27 storey mixed use building consisting of Offices, Residential and Retail spaces in addition to the high-end building facilities and services. The enabling works of the project, i.e. the mobilization and piling works was started in September 2018 and completed in April 2019. The main project is expected to be completed by March 2021.
